Donations

The Library welcomes donations

- Donated items have a cost to the Library, in terms of processing and storage. Because of this, items offered to us as donations are subject to the same selection criteria as those acquired by purchase.

Unsolicited donations are accepted:

- On condition that they meet the Library’s acquisitions criteria and priorities
- On condition that items not required by the Library may be disposed of in any manner deemed appropriate
- Subject to the Library’s ability to make the material available within a reasonable period of time

Subject to the availability of appropriate storage space. Please also consult the Library’s Information Resources Development policy¹

For further information about our donations procedures please e-mail joe.nankivell@ucd.ie or telephone (01) 716 7688.

If you wish to make a donation to one of our Branch libraries, please contact the appropriate Site Librarian²
